ANNOUNCEMENT OF COURSES DURING 2009

IIRS announces its M. Tech., M.Sc., PG Diploma, Certificate Courses etc. for the year **2009**. Visit our web site www.iirs-nrsc.gov.in for details such as entrance requirements, fee structure and number of seats etc. and also to download the prescribed application form.

Please note that the **last date of receipt of applications** for various courses is as under:

- M. Tech. (RS & GIS): **28.11.2008**
- M.Sc. (Geoinformatics and Geohazards) : **10.7.2009**
- PG Diploma & Certificate (RS & GIS) : **26.12.2008**
- PG Diploma & Certificate (Geoinformatics and Geohazards) : **17.7.2009**
- NNRMS sponsored certificate courses: **27.2.2009**

ANNOUNCEMENT OF COURSES DURING 2009 AND EARLY 2010

IIRS is providing education and training in Remote Sensing, GIS, GPS and its various applications from 1966 onwards. IIRS announces various courses in Geoinformatics and Geohazards under Joint Education Program **(JEP)** with International Institute for Geo-Information Science and Earth Observation (ITC), The Netherlands. As a part of this collaborative project, Certificate Courses (4 months duration), PG Diploma Courses (10 months duration) and M.Sc. Courses (18 months duration) will be starting from September 28, 2009.

The M.Sc. Degree is awarded by ITC, The Netherlands under a joint collaboration program between IIRS & ITC. This is a sandwich program with 15 months at IIRS, India and 3 months at ITC, the Netherlands.

Candidates wishing to join M. Tech., PG Diploma and Certificate Course in Basic Photogrammetry and Remote Sensing (starting in March 2010) can see further details on our website.

Visit our website www.iirs-nrsc.gov.in for details such as admission requirements, fee structure and number of seats etc. and also to download the prescribed application form.
